

January 9, 2008

The school year in the Uganda school system has three sessions and school fees are due each session. The first session for the new school year 2008 is starting within the next few weeks.

Many of the students you support are in the top 10 of their classes. The children are thankful to you for making it possible for them to attend school. Thank you opening your hand to the poor and needy (Deuteronomy 15:11).

May God bless you!
